This guide provides business managers with 101 ways to make more profits.

What's the one thing that every home owner would like? More space. It doesn't matter if you are a family of four in a maisonette or a hip couple in a townhouse, somehow there never seems to be quite enough room for you, your things and your hobbies. However, the problem isn't as bad as you might think. For most of us there are ways to make our homes bigger (or at least seem bigger!). From clearing the clutter to cleaning the windows, level one in the Space Programme includes simple, everyday ways to increase the feeling of space in your place. Level two gets down to some serious storage ideas and level three is the full-blown extension that really will change the way you live. In 101 Ways to Make More Space you'll find ways to give rooms a double life, clever visual tricks to increase the sense of space and creative ideas for converting your loft or extending your home, backed up with solid advice to help you put your plans into action.

Remember when you could go into a shop and the assistant actually knew about the products they were selling? How many times have you been frustrated beyond belief because you have had to chase the sales person who is supposed to be helping you? When was the last time you were impressed with the level of service you received? Customers want and demand better service and that means better sales skills. 101 Ways to Sell More of Anything to Anyone will help anyone improve their sales skills. But rather than gimmicky ideas, slick sales spiels or fast-talking techniques to fleece customers, this book goes back to the solid values of selling, which are now more important than ever. Andrew explains the ten biggest and most common sales mistakes These 121 tips will help anyone learn how to sell more of anything to anyone - and do it in a positive and responsible way. Andrew Griffiths has developed a powerful reputation as Australia's leading small business expert. His 101 Ways business-building series is now sold in over 50 countries, and his no-nonsense style and down-to-earth advice appeals to business owners in all industries all over the world.

Make Every Second Count goes beyond the usual time-management books to bring you a broad range of strategies and tactics—dozens of proven methods to

get more done in less time. You'll discover how to maximize your time by setting priorities, create useful schedules, and overcome procrastination, how to boost your energy level and productivity with proper diet, exercise, and sleep. You'll also learn how using the latest technology can enable you to manage information and communicate more effectively and efficiently. Make Every Second Count will show you: How to eliminate bad habits and unnecessary activities that slow you down. The painless way to handle paperwork. How to master the art of saying no. The three types of to-do lists every person should keep. Make Every Second Count also contains time-tested advice on goal setting, business travel, social networking, mobile technology, planning systems, and time management in the home.

Find creative ways to make money in businesses with little competition Using interviews with unconventional entrepreneurs, the author's own wide-ranging experience with weird jobs, and extensive research, 101 Weird Ways to Make Money reveals unusual, sometimes dirty, yet profitable jobs and businesses. Whether you're looking for a job that suits your independent spirit, or want to start a new business, this unique book shows you moneymaking options you haven't considered. Most of these outside-the-box jobs don't require extensive training, and are also scalable as businesses, allowing you to build on your initial success. Jobs and businesses covered include cricket and maggot farming, environmentally friendly burials, making and selling solar-roasted coffee, daycare services for handicapped children, and many more Each chapter features a "where the money is" section on how to scale-up and be profitable Author writes a popular website and email newsletter on unusual ways to make money Whether you're seeking a new career, an additional revenue stream, or a new business idea, you will want to discover 101 Weird Ways to Make Money.

From a legend in the field of training comes a resource that gives managers, team leaders, and supervisors 101 tips, tactics, and simple strategies to brighten up meetings and move the action along while successfully fulfilling goals and objectives.

Turn every workday into a source of satisfaction with this treasure trove of 101 ways to improve productivity, minimize stress and find happiness on the job. For example: #34 Smile Do you smile at work? If not, you may be confusing your serious look with professionalism. The reality is that not smiling just makes you look unhappy. #41 Take Ten The next time you can't get started on a task or project, tell yourself you will only work on it for ten minutes. Chances are you'll stick with it once you've started, but even if you move on after ten minutes, you will have accomplished that much more. "This book offers a collection of simple yet powerful ideas to turn every workday into a great workday."—Jeff Anderson, VP Product Management, FranklinCovey

This new volume features 101 fresh strategies to design and deliver online active training for any topic. Trainers will discover a toolkit full of creative, challenging, and fun ways to enliven learning. Designed so readers can more easily identify strategies that hold the most promise for specific training situations, topics, and learning objectives, as well as providing suggested conditions for each: length of time, number of participants, etc. Each strategy is illustrated with a case example. Also features 20 how-to lists (200 total) that any trainer will find indispensable when facilitating online learning, including practical guidelines for setting up technology, choosing asynchronous vs. synchronous delivery, scheduling for multiple time zones, making lectures active, and much more. In addition to online learning activities for opening, training, and closing for a variety of categories, this volume features best practices from top experts for using social media and common e-learning tools, including PowerPoint and Articulate. Also offers tools and techniques for the full gamut of online learning practices, from gamification and simulations to serious games and m-learning. The strategies and activities in this book are geared to classroom delivery of training. A separate collection is devoted entirely to online learning strategies and activities, em style="font-size: 10px;" 101 Ways to Make Online Learning Active. What will continue to set these books apart is the relevance of dozens of new examples, the wisdom and impact of fresh practical tips, and the rigor and expertise supporting dozens of exercises and techniques.
