Acutronic Fabian Ventilator Hfo User The fabian™ HFO was designed from the ground up as a dedicated neonatal ventilator to meet the special needs of the smallest most vulnerable patients, down to 300g and 2cc tidal volumes.

~~Acutronic Fabian Ventilator Hfo User Guide~~

The fabian HFO is the result of more than 30 years of experience in design, development and craftsmanship. Powerful components such as maintenance-free battery packs, innovative modules like a one-piece expiratory valve and a cleverly reduced assembling concept with easily accessible parts make this device user-friendly - even when in service.

~~fabian HFO — Acutronic Medical Systems~~

The fabian HFO is intended for "in-patient use" in hospitals, medically-used rooms and intra- hospital patient transport. The fabian HFO is an electronically, microprocessor controlled ventilator. The fabian HFO ventilates with excess pressure based on the continuous-flow principle.
