Royal Institute of British Architects

Architecture (Latin architectura, from the Greek ?????????? arkhitekton "architect", from ?????- "chief" and ?????? "creator") is both the process and the product of planning, designing, and constructing buildings or other structures.

Bookmark File PDF

Architecture - Wikipedia

Architecture, the art and technique of designing and building, as distinguished from the skills associated with construction. The practice of architecture is employed to fulfill both practical and expressive requirements, and thus it serves both utilitarian and aesthetic ends.
