Frankenstein; or, The Modern  
Prometheus is a novel  
written by the British  
author Mary Shelley. The  
first edition was published

# File Type PDF College Paper Introduction

anonymously in London in 1818, and Shelley's name appeared on the revised third edition, published in 1831. The title of the novel refers to the scientist, Victor Frankenstein, who learns how to create life

# File Type PDF College Paper Introduction

and creates a being in the likeness of man, but larger than average and more powerful. In modern popular culture, people have tended to refer to the Creature as "Frankenstein" (especially in films since 1931),

# File Type PDF College Paper Introduction

despite this being the name of the scientist, and the creature being unnamed in the book itself.

Frankenstein is a novel infused with elements of the Gothic novel and the Romantic movement. It was

# File Type PDF College Paper Introduction

also a warning against the "over-reaching" of modern man and the Industrial Revolution, alluded to in the novel's subtitle, *The Modern Prometheus*. The story has had an influence across literature and popular

# File Type PDF College Paper Introduction

culture and spawned a complete genre of horror stories and films. It is arguably considered the first fully-realised science fiction novel and raises many issues still relevant to today's society.
