Budget: Budgeting is easier in college because you probably have fewer expenses than you would whenever you start working. Try to find a budgeting method that'll work for you and build it into your habits. Separate wants and needs: This is one skill you must develop in college because it can inform your spending decisions for the rest of your life. The capitalist system we live in will bombard you with marketing messages about how you need this or that, when in fact you don't.
