Rachel Wilde comes from a dimension that exists adjacent to ours. Authorities of Rachel ' s world believe the missing gatekeepers are descended from a girl who went missing from West Africa hundreds of years ago, likely sold into slavery. With no leads to go on, Rachel seeks help from Bach, a raving homeless man who happens to be an oracle. Bach does put her in the path of both of her targets—but he also lands her in a life-threatening situation. Somehow, Rachel has to stop the criminal, reunite a gatekeeper with her stolen past, and, above all, survive.
