Music Minus One For Drummers Only (Jazz Band Music Minus ...

Jazz drumming is the art of playing percussion (predominantly the drum set, which includes a variety of drums and cymbals) in jazz styles ranging from 1910s-style Dixieland jazz to 1970s-era jazz fusion and 1980s-era Latin jazz. The techniques and instrumentation of this type of performance have evolved over several periods, influenced by jazz at large and the individual drummers within it.

(Music Minus One). An all-star band roaring through eight great standards, minus a drummer! Superbly planned and executed: a challenging set for every percussionist. Complete with a 48-page music book containing all the parts plus an analysis of modern drumming by Jim Chapin; and a compact disc with complete versions of each piece with accompaniments and soloist; then a second performance with accompaniments minus you, the soloist. Performed by Jim Chapin, drums

(Percussion). Like Master Studies , this is a workbook of material to use in developing the hands for drumming. Challenging exercises encourage students to learn slow, sensible and accurate practice techniques.

Specifically designed to teach jazz basics to students with 1 or 2 years playing experience, but with no prior experience playing jazz. Great for individual or classroom use. Teaches the basics of swing style in a step-by-step approach using well-known songs. Improvisation is made easy starting with simple 2-measure phrases. Scales and basic theory are introduced in a simple and easy to understand approach. 2 CD's are included with recordings of all exercises and arrangements. Other features: 7 full band arrangements, sample solos, jazz history and people.

(Book). From Tadd Dameron through Dizzy Gillespie, Billy Eckstine, Cannonball Adderly and Benny Golson, to his own 17-piece "Supersound" big band, Charli Persip has been one of the most in-demand drummers in all of jazz, as well as in the pop genre. A textbook example of how to play the drums, Persip has proven his worth in a wide variety of ensembles and handled the transitions from one group to the next without missing a beat. Learn from his experiences and share some of his insights in this practical, down-to-earth text. Newly revised and expanded to include "The Warm-Up Exercise," this book for all musicians and music lovers is loaded with playing tips, great advice and anecdotes.

Essential Drum Fills is a collection of fills that Peter Erskine has enjoyed hearing and /or playing over the years. The book includes over 500 drum fills in a variety of styles and ensembles, as well as multiple examples, transcriptions and drum charts. Comes with online audio demonstrations and play-alongs. Music PDF files are also included.

Dottie Dodgion is a jazz drummer who played with the best. A survivor, she lived an entire lifetime before she was seventeen. Undeterred by hardships she defied the odds and earned a seat as a woman in the exclusive men's club of jazz. Her dues-paying path as a musician took her from early work with Charles Mingus to being

## Access Free For Drummers Only Jazz Band Music Minus One Drummer

hired by Benny Goodman at Basin Street East on her first day in New York. From there she broke new ground as a woman who played a "man's instrument" in first-string, all-male New York City jazz bands. Her inspiring memoir talks frankly about her music and the challenges she faced, and shines a light into the jazz world of the 1960s and 1970s. Vivid and always entertaining, *The Lady Swings* tells Dottie Dodgion's story with the same verve and straight-ahead honesty that powered her playing.

*Inside the Big Band Drum Chart* is a first of its kind drum method that uses traditional and contemporary arrangements performed by a 17 piece jazz ensemble as the vehicle to study beats, musical form, ensemble phrasing, articulation, and interpretation. For each arrangement, there is 'talk through' information explaining how the composition is played as well as transcriptions of key beats and melodic information that connects the 'written drum part' to the music. The 248 page book includes a 2.5 hour audio available online and an hour long video demonstrating every exercise in the text. Also included are anecdotes and interviews with legendary big band drummers and arrangers such as Louie Bellson, Jake Hanna, Phil Wilson, Mark Taylor and Bob Curnow. Includes access to online audio/video

From first-time novelist Jordan Sonnenblick, a brave and beautiful story that will make readers laugh and break their hearts at the same time. Thirteen-year-old Steven has a totally normal life: he plays drums in the All-Star Jazz band, has a crush on the hottest girl in the school, and is constantly annoyed by his five-year-old brother, Jeffrey. But when Jeffrey is diagnosed with leukemia, Steven's world is turned upside down. He is forced to deal with his brother's illness and his parents' attempts to keep the family in one piece. Salted with humor and peppered with devastating realities, *DRUMS, GIRLS, AND DANGEROUS PIE* is a heartwarming journey through a year in the life of a family in crisis.

With *Big Band Drumming at First Sight*, Steve Fidyk offers a comprehensive approach to improve sight-reading skills in a big band setting. With advice on how to accompany different musical forms and playing styles, Fidyk gives detailed information that will strengthen your ability to recognize band figures and beat patterns quickly and easily. The companion play-along MP3 CD features 10 arrangements of varying style with beat and figure examples extracted from each score that are "looped" or repeated several times for thorough study. *Big Band Drumming at First Sight* will be an invaluable tool in helping you to become a better sight-reader! Read, listen, study, and learn through Steve's experience on what it takes to look at a drumset part once, and know how to deliver the musical goods with confidence! "It was love at first sight when I first encountered this book. Here is a great resource that is focused on sight-reading big band charts correctly the first time."

-Percussive Notes "Rather than offering exercises in speedy note reading, the volume covers the fine art of chart interpretation with useful advice and clear illustrations." -Jeff Potter, *Modern Drummer*

(Meredith Music Resource). This book provides one huge "room" where everyone can gather to ask questions on the art of rehearsing and listen to answers from people who know. It includes chapters by Caleb Chapman, John Clayton, Jose Antonio Diaz, Curtis Gaesser, Antonio Garcia, Gordon Goodwin, Roosevelt Griffin III, Sherrie Maricle, Ellen Rowe, Roxanne Stevenson, Steve Wiest, and Greg Yasinitsky.
