The perspective that Give Me Liberty presents to its readers is predominantly one of the voice of the under represented or disenfranchised in the history of the United States. Professor Foner makes a concerted effort to convey how the average citizen experienced the history occurring around them and casts them as players in that drama.

Give Me Liberty! An American
History is a survey of American
history from the earliest days of
European exploration and
conquest of the New World to the
first years of the twenty-first
century. It offers students a clear,
concise narrative whose central
theme is the changing contours of
American freedom. I am
extremely gratified by the
