On the Marble Cliffs (Auf den Marmor klippen) is a novella by Ernst Jünger published in 1939 describing the upheaval and ruin of a serene agricultural society. The peaceful and traditional people, located on the shores of a large bay, are surrounded by the rough pastoral folk in the surrounding hills, who feel increasing pressure from the unscrupulous and lowly followers of the dreaded head forester.**

On the Marble Cliffs - Wikipedia
Although I have read Ernst Jünger's Auf den Marmor klippen (On the Marble Cliffs in its English translation, which I have not read) but twice (once at or rather for university and just recently in order to actually post this here review), I can and do certainly understand and appreciate how and why both the author and especially this very novella continue to be both controversial and open to a multitude of different and even contradictory analyses and interpretations.
