Created through a "student-tested, faculty-approved" review process with students and faculty, PSYCH 2ce is an engaging and accessible solution that accommodates the diverse lifestyles of Canadian students at a value-based price. PSYCH 2ce is an extremely concise, visually appealing text that introduces psychology concepts without any delays or distractions. Designed for today's students in every detail, this unique solution was developed through conversations, focus groups, interviews, surveys, and input from thousands of students and hundreds of faculty members like you. From its abbreviated, no-nonsense title to its engaging, effective content, PSYCH 2ce ushers in a groundbreaking new genre of introductory psychology texts that's perfect for modern learners.

From its abbreviated, no-nonsense title to its engaging, effective content, HDEV continues to offer a new genre of life-span development texts, perfect for today's Canadian learners. This second Canadian edition highlights relevant research, immediately engaging students by emphasizing the biopsychosocial framework of lifespan psychology and adding a new Erikson Today feature to provide a framework for the content and contemporizing Erikson's theories for today's students. This brief, affordable paperback includes? with each new copy purchased ? an access code for the book's accompanying Coursemate site. There, students will find a full suite of unique learning tools that allow students to study wherever they are,

whenever they have time, and that appeal to different learning styles. These online resources include quizzes, audio downloads, video podcasts, downloadable flashcards and more.

The theme of this book is applying theories and research to learning and to contemporary life. In every chapter of **PSYCHOLOGY: CONCEPTS AND CONNECTIONS, BRIEF VERSION, Eighth Edition**, Spencer Rathus **CONNECTS** psychology to the real world and students' interests, to the field's latest topics and research, to great new multimedia tools, to innovative resources for teaching and learning, and to the proven PQ4R active learning approach. Rathus' warm and engaging writing style explains the fundamentals in ways that students can understand, and then goes a step further to show how those fundamentals relate to students' daily lives. Through Video Connections, Power Visuals, an Author Blog, and interactive pedagogy tied from the text to the book companion web site, this edition provides students with seamless integration of text and technology that will help them study efficiently and effectively.
