The thrilling final installment in Tanya Huff's military sci-fi adventure Confederation series Gunnery Sergeant Torin Kerr was the very model of a Confederation Marine. She'd survived more deadly encounters than anyone in the Corps. No one who'd ever served with her could imagine her walking away from the Corps. But that was before Torin had learned the truth about the war the Confederation was fighting...before she'd been declared dead and had spent time in a prison that shouldn't exist.... It was Salvage Operator Craig Ryder who had refused to believe Torin was dead. Craig who found and rescued Torin. And so, when her mission was complete, Torin resigned from the Marines to start a new life with Craig aboard his tiny salvage ship, the Promise. But civilian life was a lot rougher than Torin had imagined. The salvage operators were losing cargo and lives to pirates. Because salvagers were an independent lot unwilling to turn to the OutSector Wardens for help, no one in authority seemed to take their ever-increasing threat seriously. Then, on their first real run together, pirates attacked the Promise, kidnapping Craig and leaving Torin to die. But leaving Torin behind to die was never a good strategy. Against all odds, she survived, and certain—despite no evidence to prove her correct—that Craig was still alive, she decided to mount a rescue mission. When Craig's salvager friends refused to join her, Torin had no choice but to call in the Marines—some very special Marines. Then she discovered why the pirates had been trying to kidnap salvagers. And suddenly Torin's mission expanded from saving Craig

As the clock chimed the turn of the twentieth century, Lilly Nelly Aphrodite took her first breath. Born

to a cabaret dancer and soon orphaned in a scandalous double murder, Lilly finds refuge at a Catholic orphanage, coming under the wing of the, at times, severe Sister August, the first in a string of lost loves. There she meets Hanne Schmidt, a teen prostitute, and forms a bond that will last them through tumultuous love affairs, disastrous marriages, and destitution during the First World War and the subsequent economic collapse. As the century progresses, Lilly and Hanne move from the tawdry glamour of the tingle-tangle nightclubs to the shadow world of health films before Lilly finds success and stardom in the new medium of motion pictures and ultimately falls in love with a man whose fate could cost her everything she has worked for or help her discover her true self. Gripping and darkly seductive, *The Luminous Life of Lilly Aphrodite* showcases all the glitter and splendour of the brief heyday of the Weimar Republic, and the rise of Hollywood to its golden age. As it foreshadows the horrors of the Second World War, the novel asks what price is paid when identity becomes unfixed and the social order is upended.
