The current Dietary Guidelines for Americans recommend that alcohol should be consumed in moderation — up to one drink per day for women and up to two drinks per day for men. Alcohol consumption ...

Here's What Happens to Your Body When You Cut Out Alcohol ...

My boyfriend nixed alcohol for 30 days and the effects were nothing short of impressive. He lost weight, his rosacea and eczema subsided, and by the end, he seemed like an overall happier, more productive person. He told me that the first week was tough, but after that, you don't even miss alcohol anymore. You don't even remember why you liked it.

This Is What Happens When You Quit Drinking for 30 Days

Will a 30-day alcohol detox help you sleep better, think more clearly, lose weight, be less tired, and achieve more? The answers aren't quite what you think.

What Giving Up Alcohol for 30 Days Will Do for Your Health ...

30 Days Without Alcohol. Quitting drinking cold turkey can be extremely challenging, painful, and – depending on how long and how heavily you've been drinking – even life threatening, but the main thing is, it can be done. While symptoms can vary from person to person, keep in mind that it is going to be painful at first, but the positive impact will come.

30 Days Without Alcohol | I Am Sober

30 days of no alcohol. (blankly stares off into space. nope. not me.) That's what I thought when I first read something about it being the perfect time to try 30 days of no alcohol as we were heading into Virgo season. Obviously, it was on an astrology site.

What I Learned From 30 Days Of No Alcohol - Bedlam & Daisies

After 30 days, I'd lost an incredible 13 pounds (almost six kilograms) of fat around my stomach and looked better naked—just from no alcohol. I had more money in the bank, and my skin looked considerably better. I had the mental space to integrate other positive habits into my life, such as daily exercise and reading.
