The Death of Homo Economicus Free Summary by Peter Fleming
Or perhaps, as Peter Fleming argues, Homo economicus does not actually exist at all. In The Death of Homo Economicus, Fleming presents this controversial claim with the same fierce logic and perception that launched his Guardian column into popularity. Fleming argues that as an invented model of a human being, Homo economicus is, in reality, a tool used by economists and capitalists to manage our social world through the state, business, and even family.
