The Seed of Yggdrasil: Deciphering the Hidden Messages in---

The Seed of Yggdrasil is a controversial and insightful exploration of Norse myths from a pantheistic perspective. Maria Kvilhaug is to be congratulated for bringing the ancient tales alive again for both those who already know something of them and for those who have yet to drink from this inexhaustible well.

The Seed of Yggdrasil: Deciphering the Hidden Messages in---

The Seed of Yggdrasil revolutionizes the way in which the old Norse Sagas are approached by academics, story-tellers, and religious leaders alike. This unique approach to the metaphors of the Eddas and Norse poems will cause much debate amongst modern new-age and the Scandinavian faith, Asatru, followers.

New light on old Myths: Kvilhaug reveals spiritual mysteries and rites at the heart of ancient Northern and Western culture in a fresh new translation of the Norse Poems.

Six Edda poems presented in their original Old Norse text alongside a new translation and interpretation (as well as interpretations of mythical names and place names) by Maria Kvilhaug, author of The Seed of Yggdrasil - Deciphering the Hidden Messages in Old Norse Myths.

Norse myths are crammed with stories of heroism, gods, giants, dwarfs and strong elements of shamanism, pagan ritual, sorcery and shape-changing. This book is collection of Old Norse medieval texts concerning the gods Thor and Loki, and contains translations of six Edda poems, three Skaldic poems and all the relevant passages from Snorri Sturluson 's Prose Edda - with explanations and commentaries by the translator.

Witty, compelling fantasy recounts a time-traveler's adventures through a supernatural dreamscape, his romances with famous women, and his confrontations with God and the Devil. Thirteen full-page illustrations by Frank C. Papé.

Compersion can be defined as the opposite of jealousy. Hypatia, famous polyamorous blogger and inspirational writer, has intensively focused her research on this feeling somewhat unknown to most people. Through her careful research as well as her personal experience, she has come to the conclusion that compersion is within the reach of every polyamorous individual. However, this feeling of joy towards the happiness of our partners does not happen by chance, or without effort. Her hypothesis: Each polyamorist has specific individual needs that, once fulfilled, allow them to experience a solid and lasting sentiment of compersion. Hypatia warmly invites the reader on a journey of self-discovery to explore their inner selves to see what their essential compersion needs are. She also addresses the fundamental topic of how one can successfully support their partners and metamours in their own journey towards this liberating experience. Last, not least, she evokes the state of mind necessary for those who wish to develop, or integrate more fully, compersion into their lives. Controlling jealousy is great, but cultivating compersion is way better!

Doodles are as unique to each person as handwriting. Try an untraditional - and extremely revealing - approach to journaling with The Doodle Diary. In addition to graph paper pages and doodle-inspiring designs, the journal contains a dictionary for deciphering hundreds of doodles. Fill up a page every day and learn what those lines, circles, squares, and squiggles say about you!

Welcome to the most mysterious and wonderful of planets, a planet made just for you. We call it Planet Orgasm. On Planet Orgasm, there are dozens of kinds of orgasms, just waiting for us all to have them. You can take Orgasmanaut Training, learn the fascinating history of orgasm research, expand your definitio

of orgasm, and voyage into undiscovered orgasmic lands. You'll discover orgasms for people of every gender and orientation: big world-shaking orgasms and gentle mini-gasms; orgasms in every part of your body; orgasms by yourself, orgasms with toys, orgasms with others... and orgasms only you can discover for yourself. World-famous performer/author/educator Annie Sprinkle is your guide, together with artist/educator Beth Stephens and illustrator YuDori. Under the leadership of this fearless crew, you'll discover, through words and pictures, just what Planet Orgasm has in store for you!

Scrolls of Love is a book of unions. Edited by a Christian and a Jew who are united by a shared passion for the Bible and a common literary hermeneutic, this volume joins two biblical scrolls and gathers around them a diverse community of interpreters. Respectful of traditional biblical scholarship, the collection of essays moves beyond it; alert to contemporary trends, the volume returns venerable interpretive tradition to center stage. Most significantly, it is interfaith, bringing together two communities that have read their Bibles in isolation from one another, in ignorance of the richness of the others' traditions.

What do medieval Icelanders mean when they say *þrolli*? What did they see when they saw a troll? What did the troll signify to them? And why did they see them?The principal subject of this book is the Norse idea of the troll, which the author uses to engage with the larger topic of paranormal experiences in the medieval North. The texts under study are from 13th-, 14th-, and 15th-century Iceland. The focus of the book is on the ways in which paranormal experiences are related and defined in these texts and how those definitions have framed and continue to frame scholarly interpretations of the paranormal.The book is partitioned into numerous brief chapters, each with its own theme. In each case the author is not least concerned with how the paranormal functions within medieval society and in the minds of the individuals who encounter and experience it and go on to narrate these experiences through intermediaries. The author connects the paranormal encounter closely with fears and these fears are intertwined with various aspects of the human experience including gender, family ties, and death.The Troll Inside You hovers over the boundaries of scholarship and literature. Its aim is to prick and provoke but above all to challenge its audience to reconsider some of their preconceived ideas about the medieval past.
